“ My son Martin and Rob were great friends through high school and then fell out of touch. I remember playing basketball with Rob and Martin and Rob had this over the ball move we both imitated. This is heartbreaking news, what a beautiful kid. Peace be with you Rob, always and forever

“ You were one of my good friends Bob. I knew that we grew apart when I went to school in KY but I'll never forget all the fun times we had growing up and going to high school together. Will never forget hanging out playing halo with you after school or playing basketball in the summer. You were a great friend and did not deserve to pass away so young. I miss you and will see you again someday. Rest in Peace - Adam

“ Bob was one of my son's friends and I always found him polite, respectful, and the coolest kid. I was so sad to hear this news and offer his family and friends my deepest sympathy. Bob, I am so sorry this happened to you. Rest in peace.

“ Rob was my best friend for 9 years. We met in German class and hit it off right away. After high school times had changed but Rob and I still kept in contact and eventually moved forward with our relationship. He was everything to and will always be my world. From his tight hugs to that smile that made the stars look dim. I will forever have the deepest love for Rob. God has gained a great looking angel.
