“ Sending love, prayers and our condolences to family and friends. Our family, especially our son Markell, was abundantly blessed by "Uncle Allan" over these last few years. A few things are for certain, he loved dearly the Lord and his family (whom he talked about often)... oh, and pizza! We are grateful for his ministry of love and prayer and are so thankful for how he embraced our son. His phone calls to check on Markell and our family and always keeping us covered in prayer will be missed. His legacy of faith is one to be cherished. We are fortunate to have shared in just a brief piece of his life. Much love and blessings to all of you during this time.
