“ *My sincerest condolences to the Barna family. Great childhood memories! My special Godfather, we had good times catching up with news about our families, you always took such an interest in everything that was going on in my life, supporting my goals and dreams. I'll ALWAYS remember how you beamed with pride when talking about your beloved boys. I'm so sad and sorry that you are no longer with us in "this" world, but you are now living full again and in peace with the Lord. Love you. Karen, Dave and David*

“ *For me, Uncle Andy Barna will always be remembered as a kind, well-spoken man. Andy loved his family and he would always boast about his 2 boys with great pride telling you what was going on in their lives. He loved to talk sports, was a real fighter, and never complained. My sincere condolences to the Barna family. William J. Cress*

“ Thanks for all the great memories Uncle Andy! We lived so close by for over 37 years and I have many special moments to cherish. I always enjoyed to stop by and sit on the porch with you and grandmom and you always were so excited to see my 3 kids. Your simple presence on Powell Road helped keep the connection to my family alive and I thank you for always just being there! Your gentleness and kind words will be forever missed. The world is a better place because of genuinely kind people like you! Rest in peace - your niece Paula
