“ *What a funny lady! I grew up knowing Angie my whole life! Everytime I went to visit my mom I'd always stop by and say hello. Angie was so honest and funny. I'll never forget how nice she was to me. I'll miss her. May she rest in peace!*

“ Hi Family and Friends I am one of Angela's neighbors on Palmer Mill. I can't tell you how heartbroken I was when I heard the news that Ang had passed away. Her and I have known each other over 15 years and I just really loved her. She had so much life in her and her sense of humor was wicked and I loved it. Ang was such an animal lover and she took on everyone's pets. She even walked our one neighbors dog for like 2 years. :) She always had biscuits in her pockets or her car when she drove down the alley. I would often see her stopping to say hello to Tuxedo and Willow and then tossing them biscuits before driving off. She loved the Lord and her faithfulness was evident. I know she is in God's great glorious light and I hope she has front row seats. I love you Angie until we see each other again in Heaven's Love filled realm xo. :)
