“ My deepest condolences to the Klara family and the Ceravolo family. Anthony was like a brother to me and a best friend too. He always looked out for me and my family. He was a sweet, gentle man with a big kind heart and always so thoughtful! He always talked about his daughter and how much he loved her. Anthony was the true LOVE of my Best Friend Carla “s life! I was looking forward to you both getting married soon so I could celebrate and be part of that special day! My heart is broken with your passing for Carla and myself. You were such a big part of our lives. God called you home to rest. You will be forever missed but Never ever forgotten. I love you Anthony! Love always Lisa (Weez)

“ *Hearing about the sudden passing of Anthony just broke my heart wide open...a good man gone too soon. I have the best memories of growing up together. Anthony was my first real boyfriend and I will never forget how he would walk all the way across town just to walk me to grade school in the morning. Dinners at his house, his wonderful family always so welcoming. We would hold hands and watch TV and then pull our hands apart when his mom or dad walked in..lol. His little brother such a pest but adorable, the Klara chickens in the backyard, playing basketball down at Norwood Park. Anthony always had a great outside shot and no one could beat him under the boards. And I will never forget kissing under the steps at Norwood School. Sorry I hope this does not offend anyone but we were just kids. Anthony you will be missed for sure. I'm so sorry we lost touch because you were indeed one of my favorite people. Rest in peace, until I see you again. xo.*
