

Anthony M. Pace

January 30, 1960 - February 8, 2026

Anthony “Tony” M. Pace was born in Philadelphia to Patricia (Browne) and the late Emedio Pace. Having grown up in the Westbrook Park section of Clifton Heights, he was a proud graduate of Monsignor Bonner High School and later, a 1980 graduate of Williamson Trade School, where he served as president of his class.

Tony worked for many years as a gear repair specialist, a trade he took great pride in. He then spent his later working years in Southwest Florida. Tony was also an avid sports fan, and he especially loved college football. Some of his other favorite pastimes included swimming, crafting, and visiting theme parks.

Above all else, Tony was a devoted family man. He cherished every moment spent with his wife, children, and grandchildren. Known for his great sense of humor and big heart, Tony was a pillar of strength and always offered a helping hand to anyone in need.

Tony was a compassionate man and lived his life guided by his faith, kindness, and generosity. He will be deeply missed by all who knew and loved him.

Predeceased by his father, Emedio “Mimmy” Pace.

Tony is survived by his wife of 45 years, Diana “Dee” (Hilferty) Pace; children, John Pace, Josh (Bonnie) Pace and Michael Pace; grandchildren, Alice and Joshua; mother, Patricia (Browne) Pace; siblings, Philip (Vicki) Pace and Michele Stull. “ Oh, that Tony had such a contagious laugh and easy smile! Loved having you all as next door neighbors! One morning, on my and Bonnie's 40th birthday, I pull up to the house to find "Happy Birthday FLAMINGOS on my front lawn. Tony happened to be outside, but didn't notice them. When he saw my face, he turned and just broke up! Rest in Peace Tony, and God bless you Dee, John, Josh and Michael.

The first day I met Tony when we started working together we just hit it off. We became brothers and would talk almost every day. I am so happy to have him in my life as he showed me that you need to wake up each day and live it to the best you can. After all that he had went through he still was one of the hardest working people I have ever known and always had the best stories. We made a lot of stories through all the years we were together and I will keep telling those stories until I meet you in heaven. Love you like a brother. Love to Dee and the boys! I am here if you ever need me as long as it's between 12:01 pm and 12:02 pm.....sorry that was for Tony

“ *Tony had a very magnetic personality !
I got to know Tony over the 25 years that we worked together, for various organizations and most of all the good friends that we became .
I never met a customer(and they were many) that didn't become a friend of Tony's , once they got to know him.
Always a bright star, he always had time to help anyone in need, regardless of who they were or how he knew them
Tony was a mechanical genius , no matter what the apparatus was, commercial or nuclear , Tony could would become a master at whatever needed to be accomplished and made it look easy.
His attitude toward life and how he navigated his health, was truly amazing
Always supportive of my journey with Cancer, Tony always provided the utmost in support and was always willing to help me & those in need.
This gentleman was an exceptional human being, one that has definitely left a legacy , second to none & will be missed by many!
Rest in peace , my good friend 🙏*
