

## Barbara A. Stump

March 17, 1952 - February 15, 2026

Barbara A. Stump, passed away peacefully on February 15, 2026.

Born in Drexel Hill, Barbara was a longtime resident of Collingdale, a community she proudly called home for most of her life. She was a graduate of Collingdale High School and went on to build a career doing what she loved most—caring for animals. Barbara worked as a veterinary technician for VCR in Malvern, where her compassion and dedication made a lasting impact on both her colleagues and the countless animals she helped.

Barbara found joy in life's simple pleasures. She loved skittles, arts and crafts, motorcycle rides, RV adventures, shopping trips, and adding to her treasured rock collection. An avid animal lover, she had a special place in her heart for every creature she met.

Above all, Barbara cherished her family. Nothing brought her greater happiness than spending time with her loved ones, especially her beloved grandchildren. She also found peace and happiness at the beach, where she enjoyed the sun, the sand, and the sound of the waves.

Barbara will be remembered for her kind heart, her vibrant spirit, and her unwavering love for her family and animals. She will be deeply missed by all who knew and loved her.

Predeceased by her husband, Robert H. Stump Jr.

She is survived by her children, Jason Stump, Diane “Elfie” (Stump) Golden; grandchildren, Brittany Johnson, Jay Stump, Daniel Stump, Ashley Golden, Jaxson Golden III and Gavin Golden. Also survived by three great grandchildren.

Services and interment will be held privately
