

Daniel J. Bark

September 9, 1999 - July 30, 2023

Daniel Joseph Bark, 23, of Briarcliffe, PA, sadly left us on July 30, 2023. The youngest of four children, Daniel was born 9-9-99 to Kimberly (Coppock) and Robert Bark, Jr. Daniel was a loving son, a caring brother, the favorite uncle and a loyal friend.

“Danny” grew up in Briarcliffe and was a graduate of Our Lady of Fatima where, during his 8th grade year, he and his football teammates went undefeated in their division and played in the Catholic League Regional Championship. Danny was offered numerous scholarships to attend high school and play football, but chose Archmere Academy. It was around this time Danny discovered his true love of sports and he started playing rugby for Media Rugby Association. His love for the game was evident and his passion on the field excelled him to compete with teams across the country. Danny was part of an amazing team at Archmere that won many championships, including the 7’s tournament held in Chester, PA, where he played at the Philadelphia Union’s Soccer Stadium Field. Danny was fortunate enough to be selected by the Atlantic Coast Rugby Team that would choose only 12 boys to participate in a tournament in Las Vegas. Danny played for this team for three years in a row and during his third year the team went on to win the championship, beating other teams from all across the country and Canada. Danny was a graduate of Ridley High School.

Danny loved sports, hunting and fishing and was the kind of kid, when a group of friends were hanging out, was in the back, ankle deep in the crick, chasing frogs and squirrels. He loved the outdoors, he loved getting messy. He loved animals and even brought home a pet goat once.

Danny was a hard worker - strong as an ox. He always put people before himself. He was always smiling and always the life of the party. Danny had an undeniable gravitational pull towards people. Everyone who knew him just wanted to be around him. He gave his friends confidence. His presence was nothing short of a gift. He had a deep understanding of love and loyalty, and always did right by the people he loved.

Danny loved his family more than anything else. He would put a lot of thought and love into giving someone a gift on a holiday or birthday, and it made him very happy to make others smile. This trait went well beyond his family. Danny had a knack of making people smile. He was very charismatic. He was polite and kind. Anyone who knew Danny knew what a kind-hearted, old soul he was and will never forget his larger-than-life personality.

Danny's memory lives on through his mother Kim, his father Bobby, his brother Bobby (Jess) and his two sisters Amanda and Courtney. His memory will help guide his niece and two nephews - Alexis, Lucas and Mason - through the ups and downs of life.

Daniel is predeceased by his grandparents, Joanne M. Bark (DiMenna) and William Joseph Coppock, and survived by his grandparents, Miriam A. Coppock (Harding) and Robert J. Bark along with many aunts, uncles, cousins and friends.

"Dan the Man" will be missed but he touched so many during his short time with us. Delaware County will not be the same without Danny Bark. He had friends in every town. He had a circle no matter what part of Delco he was in

and was loved by all.

Heroes get remembered...Legends never die.

“ I taught Dan math at Archmere and this just breaks my heart. He was such a kind, caring, and sweet young man. He never met a stranger and he always had a smile on his face. I can literally see him in my head walking up to me in class with that great smile. Sending love and prayers to Dan's entire family, hoping you find some peace during this difficult time. Sincerely, Kathy Wright

“ Danny was so wonderful to my daughter and I. Always so caring, and loving. Always wanting to sit around and chit chat with me even when my daughter just wanted to go upstairs or go out LOL. He was such a bright light, even on the darkest days. He promised me to do our fence for our dog, and him and his father did it for us. He went out of his way to put a smile on your face. He was so amazing, and I'm grateful for the time we had with him. My daughter is left with beautiful memories, and precious keepsakes that she will hold in her heart forever. Thank you Danny for all the smiles, laughs, and love. Prayers for your family, and friends.

“ *This is so, so sad. My son and family knew Dan through rugby. Our son (another Dan) played on numerous teams with Danny. We got to know him as a super nice young man. Always pleasant, friendly, kind and with a big smile. May he rest in peace and our sincere condolences to his family and friends.*

“ *Danny was one of the MOST polite and charming young man we have ever had the pleasure of knowing. Whenever he came to our home he had a way of making both Becky and feel like we were old friends! Telling us all about his "POP'S" and "MAMA" as he referred to them...and showing us a photo album of his beloved family! One would think he was going to be a priest with some of the photos he shared!!! Our felt sympathy goes out to Bob, Kim, Bob Jr., Amanda, and Courtney. He was a special, special guy.
