“ My dearest Dee. You were a wonderful woman friend and mother like figure in our lives. I am honored that you called us your children . You loved us unconditionally and was always there for us. I remember that you used to reprimanded every time I called you Mrs. Marroletti. It took me years to do called you Dee. You always send us home with extra macaroni salad after BBQ or affairs.

You always welcomed me with a warm hug and kisses. I made sure to say to say I loved you every time we left your house. We have so blessed to have been your adopted daughter and son. Our hearts are broken but we know you have seen the face of God and were greeted into heaven by your parents. You will live in my thoughts, heart and memories forever. Thank you for helping me to be a better person through your actions and words of advice. May God hold your family and many friends in His hand as they go through the grieving process. You were loved by many. Love you always and forever. Regina and David
