“ My granddaughter loved Donna as we all did- Adrianna ♡♡ Adrianna ♡♡ was about six years old when she met Donna & gave her the nickname “Miss Moneybags”!! That came from the craft show where she would see all the money being put into the box as Donna was selling her fantastic and beautiful crafts. Donna loved that nickname she thought it was so hysterical. Donna was one of a kind and she will be missed every day. I don't know anyone who knew her that didn't love her dearly.
