“ *The Braun's will miss Dot as she never greeted us in the driveway without a smile and a wave. She was a great neighbor to us for the last 37 years and just a genuinely good person. God took her quickly into a better world so she can look down on all and smile brightly. We will pray for you Julie, Eric, and Charlie for your days ahead until you meet Dot again. “ *Thank you, Dot, for being a good friend and a very positive role model for me as an inexperienced mom. We enjoyed being at Trinity with you. Love to you, Julia and Eric.*
