Pink Potpourri Bouquet - January 08, 2020 at 12:00 AM

“ Dorothy and I met at work 34 years ago, and became instant friends. We spent virtually every lunch hour together, and often talked about the fun we had. After she left the job, we still met for lunch at restaurants in Delaware County, and always kept in contact via phone. I will miss our lunches and our talks, but mostly, I will miss my friend. However, what makes me happy is knowing she is now with her Caryn, smiling and laughing together like they used to always do. Not only is there a new Angel in Heaven, I'm sure even the stars will be shining brighter because of Dorothy's smile now lighting up the skies. RIP my friend in your Blessed eternal home in God's Heavenly Glory.
