“ Dorothy M. Kyle

“ A friend of mine was going through tough times and was very upset about being broke for Christmas . Her children already knew that there would be no presents this year, there was barely food to eat . My friend hated herself for letting her kids down . Later that week I was spending time with Mom and the subject came up . Mom stopped me , went into the other room and returned with her pocketbook. Mom handed me her last \$50 and said to me “ Chris Mac , you know what to do “. I did, because Mom taught us to care for others . I took my friend Christmas shopping . We wound up at a discount store where my friend bought rings and bracelets. “ Now my daughter has 5 things to open” , I cried , because a simple act of kindness saved a families Christmas . That is who our mother Dorothy was.....an angel . RIP
