“ For the short time I got to know you, you became my sister. You shared your life with me and my family 💕. You told us so many stories about your life growing up from childhood to becoming an adult, becoming a wife and mother. You had so much love 💕 to share. We are so blessed to have received some of that love. My heart is crying because you are gone, but, I am comforted that you are at peace, and have joined your heavenly family. We will see each other again someday. We love and miss you. 💕 🥰 😭
