“ Betty

I'm realizing this is late, by 2 years.. But, I just saw this.. The one reason I looked up your name was because you were in my dream last night..

And, you been on my mind all day..

I wish I had kept in touch with you.. I do remember running into you a few times here in Delco... But, even that's been a while... To, your family who don't know me.

I worked with Betty at Atlantic and Gulf.. We had a lot of fun times.

So, many great memories..

I'm sorry for her lost...

Rest peacefully, Betty
