We have been friends since 6 grade. A beautiful person and a wonderful friend. She would visit my house and always lift the cake saver to check what my mother had baked but always scraped the icing off. That was my favorite part. We shared a long distance friendship because I lived in far off NJ.

“*Mrs. Morris was and always will be my second Mother. My family had the honor to call her our neighbor for over 40 years and a better person you cannot find! She was always there for us through the good times and the bad. A rock for our family & Collingdale to lean on. My family was blessed to have her in our lives & in the early lives of my children. She was loved deeply and will always be in our hearts! Rest In Peace Mrs. Morris!!*

“*I so enjoyed all the time I spent with Ellen at the swim club! I would bring a pot of coffee, and we could sit under the tree and chat for hours! We also had a great time working the polls together twice a year, I sure miss those “good old days” with Ellen. Rest in peace, my friend!*
