“ *My grandmother Connie Kleinschmidt Sr and Mrs. Donnell were long time neighbors and friends! I used to walk with my grandmother up to Mrs. Donnell's house to sit and chat with her almost every weekend I visited. Mrs. Donnell was so nice and funny! She told me about meeting Mr. Donnell when he was a soldier visiting England or maybe he was stationed there - I can't quite remember that details as its been 25 years since she told me. I ran into Mrs. Donnell a couple years before she passed and she told me she loved to play Bingo and to get my grandmother there to play with her!!*

I missed Mrs. Donnell's passing because my own grandmother passed away 8 days before.

To her daughters, I'm sorry for your loss, even if its almost a year later. We miss our grandmother so much and I'm sure you do as well.

“ Cindy and Family,

We were so very sorry to hear of the loss of your mom and we will keep your family in our prayers through this difficult time.

The Donnell's and Pipes have had many great summer vacations together during the 70's with our campers being hitched to the Baby Blue Chryslers, trips to Colorado and North Pole New York, Brandywine campground and many, many KOA'S around the USA. Wouldn't trade that for anything and what a great family to grow up with!

*Tom and Eunice and Bud and Rosie are together again!!
Sending love and hugs to you and your family.*
