“ *My precious cousin "Tooty" always triggered joy in my heart. Spending time with the Zaferis family was the highlight of my childhood, listening to music in their record store, going shopping on 69th St, or eating strawberry malts in Aunt Mary's restaurant. Tooty continued communication through the years with letters and birthday cards that I always enjoyed reading. She had unique writing ability that captured stories in a comical manner that few could master. I'm sure she is wearing her captivating smile in heaven as God must have been pleased with her presence here on earth.*

This is Mary Hicks (Aunt Betty's daughter) offering my sincere sympathy to Karen & her children and the rest of the Zaferis offspring. You are loved.
