Galina Morris, age 64, of Aston, Pennsylvania went home to be with the Lord on Saturday December 7th, 2024.

Mrs. Morris was one of five siblings, born on May 30th, 1960 in Kopyl, Belorussia to the late Raisa and the late Genadee Lepetilov.

Galina is survived by her daughter Polina & her husband Matthew; granddaughters Lannah and Natasha; her sisters Valentina and Elena and her brother Alexander. Galina's husband Jerald, her parents Raisa and Genadee, and her oldest sister Ana are unfortunately no longer with us.

Galina worked as a medical doctor in Estonia and as an acupuncturist in the US. Her love, warmth, kindness, caring approach and dedication to those around her was evident by the many lives she touched along the way.

Galina is dearly loved and will be deeply missed by her family, friends, her patients, and anyone who really knew her. In lieu of flowers, you may choose to honor her memory by sponsoring any orphanage of your choice or any

other meaningful ministry such as Compassion International and Water is Basic.

“ Our most memorable time with Galina was when we traveled together to Ukraine in 2018 to minister to the needs of the orphanage. We saw a very evident compassion in Galina and her late husband Jerry, in how they loved on the orphans. Deepest condolences to the family, but we rejoice in the amazing hope we have in Christ Jesus, that we will meet again and forever be reunited. Paul and Nina Chodniewicz
