“ I didn't expect you to say goodbye. I can never talk to you again. I will miss you so much, my friend. Thank you for all your advice to me. Thank you for all the good and bad times, you always supported me. Thank you for all the happy days & my struggles that you always accompany me. Thank you for teaching me to be strong, fighting and self-confident. I saw a two brown butterflies at the end of may and until the 2nd week of june in the washing area and in the bedroom. Butterflies are always in front of me. I thought it was a bad omen. I didn't expect it to be you, my buddy friend. Up to this day, I'm still feel the pain and sadness because you are gone. I lost a true friend and brother like you. Goodbye, my friend. I will continue my life with your happy memories of me and above all the things you have taught me in my life. I will miss you so much forever, my buddy friend. I love you.
