“ I was sadden to hear of my brother's passing. The last time we meet we share precious memories of our past. I was astonished to realize that it would the last time we should met. My bother Harry was authentically a kind man. I shall miss you my brother until we meet again, as my associate Peachie states that she too will miss the gentle kindness of Harry and advised that I should hold tight to the memories until we meet at God's heavenly throne. Love you brother Harry,
