

Ilcedes M. Faro

February 14, 1948 - April 30, 2024

Dr. Ilcedes M. (Guerra) Faro, age 76, passed away on April 30, 2024.

Ilcedes was born in Rubio, Venezuela to the late Domingo and Olga (Suarez) Guerra. Mrs. Faro received a master's degree from Villanova University, a master's degree from Temple University, and a PhD from Temple University. She worked as a research biologist at Temple University and then as a biology teacher for the Philadelphia School District before her retirement. Her kindness, wisdom, and dedication left an indelible mark on the hearts of her students, colleagues, friends, and family. Dr. Faro was a cancer survivor and found a love for rowing with other cancer survivors rowing on the Schuylkill River in Philadelphia. She loved to travel, she enjoyed the beach, and making jewelry. She loved spending time with family and friends, who will miss her dearly. She was a beacon of love, and strength to all who knew her. Though she may have left this world, her legacy of courage and love will continue to shine brightly in our hearts.

Survived by her loving husband of 48 years Salvatore Faro; children, Erik (Maria) Faro and Walter Faro; grandchildren, Victoria, Antonio and Alexis; brother, Antonio Guerra. Also survived by her extended family whom she treated as her own.

May she rest in eternal peace, knowing she was deeply loved and will be

profoundly missed.
