“ So very sorry to learn of Jimmy’s passing. I remember him as a young boy and his dad worked at Griffiths Printing. He was a cute little guy as I remember. He came from a very nice family and I want to let them know I will remember them in my prayers. He is at peace and with his family in heaven.

I am so sorry to hear of Jim's passing. I knew him in grade school. He was such a sweet, kind and a gentleman always. He was at my sixteenth birthday celebration, he had a great smile and always looked happy. I will pray for his family. He will be missed as a positive part of our world.

“ I met Jim in 1997 through our families printing businesses. I remember when I first met him, I thought he was so charismatic and sure of himself. But for whatever reason, I felt a little intimidated. Later I realized, Jim was just a harmless Teddy Bear that could pull your heartstrings and then "chuckle." In 2012, I started to work with Griffiths. Again, I realized, Jim was a Big Teddy Bear "with a little bit of a bite," which was his way of having a little fun. As time went by, Jim and I became friends. I grew to enjoy his infectious laugh from his office. Jim was one of those people that never let life get to him. He was always in a good mood, no matter what. I was fortunate to also become friends with his family over the years and have very fond memories of all. I think of Jim often. He definitely had an impact on my life. Have Fun Jim in you next step of the journey. If I could, I would door dash you "Asher's Chocolate Pretzels" with "Insomnia Cookies" on the side. Say "Hi" to your mom for me. Thank you for being you. Lori

“ A branch from our family tree has fallen, and a piece of our hearts have gone with you. I wish we had more time together. I will cherish all the great memories of the fun times we shared. You were a great brother and I will think of you each time I hear your favorite Bruce Springsteen song "Born in the USA" and when I am at the beach in wildwood. Life will not be the same without you and you will be forever in my heart.

Love,
Pammy
