

Jean A. Murphy

October 20, 1954 - July 21, 2025

Jean A. Murphy, age 70, a resident of Springfield formerly of Clifton Heights passed away on July 21, 2025.

“ My condolences to the family and friends of Jean! I worked with Jean for many years. She always had a smile for everyone and when asked how she was 'just livin' the dream' was her response-- which made us all laugh every time-no matter how many times she said it. She was so kind and thoughtful. At Christmas, she would bring in two wrapped Barbies for my girls. During Mardi Gras, she would bring King Cake home for her nieces' and nephews' parties. Jean was all about family, friends and of course, Disney. I missed Jean's daily presence when she left Brandywine a few years ago. Our company was lucky to have her as an employee since the age of 17! She will be missed by many. Our thoughts and prayers are with you.

“ I met Jean when I moved to Golf View in 2000. She was a kind and caring Neighbor and Friend. Some of the things she loved above all else were spending time with her Family, especially the little children; visiting Disney World and caring for the cats. She also loved doing things for the Golf View Community. She organized a fun Summer Get Together and Christmas Caroling in the community for a number of years. She organized Christmas Cookie trays for Neighbors who were new, sick or lost someone. She brought joy and happiness everywhere she went. I will greatly miss her.

“ I worked with Jean for many years and she always talked about her family and going on her Disney vacations which she loved. She was a kind soul who will be missed. I will always remember her saying....It's Hump Day! Thoughts and prayers go out to her family and especially her mom.

“ Jeannie as I remember was always a bubbly happy spirit in the room. She never missed any parties I had weather it was a princess house party, House of Loyd, card game or any family oriented gathering. She made the unimportant feel important ! You could always count on her and Betsy to be there. I hate I didn't get to spend more time with her as I got older . I will always remember her kind spirit !!

“ When I was about 10 and Jean was 17, she was living with us and I use to play cards with her all the time. She taught me how to shuffle and taught me how to play all the card games I know. We had a lot of fun together. She was always so nice to me. She was like a big sister. I loved her!!! Her cousin Marge
