*I loved all the pictures of Joan with her family. My favorite ones are of Joan and Dick sitting on their swing near the front door on Palmer. I will always remember them sitting there together saying hello to anyone who passed by them.*

“ *Mr Northwood, Leslie, Chris, Leigh, and the entire Northwood family,*

*I was so sad to hear of Mrs. Northwood's passing. She was always such a sweet person, and was one of the first to welcome us when we moved to Delco. I sometimes referred to her as Mother Northwood because she treated me like one of her own. While she's left a hole here on earth, Heaven has gained a star that will always shine brightly on her family and friends.*

*Love and hugs to all,*
