“ SO sad to hear of the passing of Johnny.
Johnny was always one of our favorites.
Great person and Father to two great kids.
Great husband also.
Always well read and well thought out; and he would always look to help the ones who needed it.
John was a fine drummer (and guitarist I hear too) and helped leave his musical legacy to his family.
He always brightened up our day..it was always great to see him and he made us feel better just seeing and talking to him
Our sincere condolences to Mary and Stephen and his entire family and friends.
He will be missed dearly.
Keep rockin in heaven, John! Give our loved ones hugs for us!
We love you.
