“ I have had some really deep conversations with John, aka to me Ohh Beatty. Joking when I said it.  
I'm a very spiritual person, and I spoke to Beatty about this. And we spoke about his grandson seeing and talking to his uncle.  
Johns face was so alive when he told me this.  
And for some unknown reason I had somekind of spiritual connection to John.  
I'm sad for the family, and friends... But John, until we meet again my friend , feel free to visit me anytime you want.  
YOUR FRIEND  
DONNA
