“ *John and I lived next door to each other and grew up together in Springfield. I have many fond memories going to the farmers market with his family on Saturdays, and playing ball in the yard. John was born just 5 days before me. My condolences to his family .*

“ *I've been a fiend of John's for half a century. A finer, more upstanding man has not existed! We shared quite a few good times together that I will never forget.*

*I had a '65 golden Barracuda with, of all things, an ahooga horn. I'd pull up in front of his Alliston Rd. home and blast it. John's Dad, would then say ""that nut's out there again!". Such great memories of John, his wonderful family and many pinochle games, back in the day. RIP buddy.*
