JM

RIP my friend from days long ago in the furniture and antique business. We had much fun and memories. Sadly I just came across this post.

“ Ken, I will never see discarded furniture the same way again. I will always look for you on the beach or riding a bike in North Wildwood. I will seek out the Blazing 7's machine in the casino that hasn't paid out in a while. Thank you most of all for loving us and for your unwavering friendship over the past 17 years. Summers at the shore will never be the same, and you will be forever missed.
