“ Grew up with Larry when living on Maple in Aldan. Seems like just yesterday that we shared growing up together along with many other friends in that area. Always fun to be around and a loving family also. From trips to movies and roller skating in 69th street along with trips and hours spent at the Bazaar in Clifton Heights. Sorry I missed his funeral but his memory will live on with all those wonderful times. You were a great friend and will be missed but not forgotten. Thank you for being my friend. Ralph
