“ *My deepest condolences to Lin’s entire family. Lin was very special to me, like a sister, and a friend. Many good memories of times as young children, teenagers, and then too short adult years. Lin will always keep that special place in my heart as she was always very kind, generous, funny and oh boy- could she talk! May She rest in peace, and be in that better place with those that she lost too soon as well.*

“ *My memory of Linda will always be in regard to her generosity and selflessness that she provided during my sister Tracys fight with lung cancer. Linda was a true friend to the bitter end. From that point forward I stay in touch with Linda on a regular basis. And she showed me what it takes to be a fighter. I wish that I could have done more. But in the end it is comforting for me to know that she will be regrouping with my sister and charlie in heaven. R.I.P. Linda. I truly love you. Although you are gone you will never be forgotten!*
