“ *Linda and I met in grade school, Alice Carey, located in the Meadows. We were childhood playmates. The redevelopment came through and we had to move. We lost contact for years. About three years ago, I found Linda, and we talked long hours over the phone. In May 2022, I got a chance to give my beloved friend a big hug. She and her daughter Linda came to the hotel to visit me. I didn't know this would be my last chance to see my friend. The Mutual love we have, will never die. I have found a beautiful friendship in her daughter, Linda Ann. And for this I am grateful to God. Rest my friend, I will see you in the morning.*
