“ *Dear Heller Family, Your father was very dear to my spouse and I. Lou always had a kind word for everyone and a story to share about his wonderful sons. We were shocked when he became ill and we were saddened to hear of his sudden passing. We are so glad that we had the opportunity to meet Lou and to worship with him each Sunday. He was one of the regular bunch who went out to lunch after service. He quickly made many friends and he remains with us in our hearts and minds. May you find comfort in your memories and the strength of your family bonds. In Fellowship, Kate and Lilia*

“ *I am very sorry to learn of the recent passing of Lou Heller. I am a member of Thomas Paine Fellowship which is where I met Lou. Whenever we were both present for specific Sunday Services Lou always would approach me to say hello. Most recently I learned of his serious illness this past summer from Lou. I will miss his quiet presence at church. Lou was just 5 months older than me. He was far too young to leave his loving family and friends. My sincere condolences to the extended members of the Heller Family.*
