“ Mum is going to miss chatting with you, she has always seen you as her sister instead of a cousin and we have always called you Aunty. One of my deepest memories of you was when I was 12 and Mum and I came over to England, we stayed with you and Uncle Fred, we would go out to bingo and go to the fish and chip shop on the way home. One night Mum and Uncle Fred went to the pub and you stayed home with us kids, well you decided to have a few drinks of Pimms and decided that I should try it, I liked it so you gave me more, by the time Mum got home I was a little drunk and you were like "oh she likes the taste leave her alone" Mum was furious, that was the first time I got drunk 😂 RIL Aunty, until we meet again 💕💕💕
