“ I miss my GiGi taking me for swimming when I was little. I wished that I'd had a chance to be closer to her throughout my childhood and my life.

“ Dear Sloan Family, I am so sorry for your loss, although I only met Marion briefly, through pictures and the stories I've been told about her, that she was a free and fearless spirit. And this spirit never really dies, and especially it lives on in all of you. Sincerely, Lisa and Chris Hup
