“ MomMom,

I am very fortunate to have had you in my life for the last 18 years. You welcomed me into your family with love and open arms. You treated my children like gold and loved them unconditionally. The way you lived your life and example you set has left a lasting impression on so many people. You will be missed but never forgotten. Until we meet again.

“ I want to leave my footprints on the sands of time
Know there was something that, something that I left behind
When I leave this world, I'll leave no regrets
Leave something to remember, so they won't forget
I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know I was here
I wanna say I lived each day, until I died
I know that I had something in somebody's life
The hearts I have touched, will be the proof that I leave
That I made a difference and this world will see
I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here
I just want them to know
That I gave my all, did my best
Brought someone some happiness
Left this world a little better just because
I was here
I was here, I lived, I loved, I was here
I did, I've done, everything that I wanted
And it was more than I thought it would be
I wanna leave my mark so everyone will know
I was here, I lived, I loved, I was here
I did, I've done
I was here, I lived, I loved, I was here
I did, I've done
I was here

“ MomMom,

Thank you for taking such good care of me growing up and then taking care of my mom when she could not. I know it was not easy on you but you sacrificed so she could live out the rest of her life. You will really be missed. Give my mom a kiss from me.

*Love,
Johnny*

“ Mom,

Whenever I am missing you, I also remember how fortunate I was that you were in my life. I wouldn't trade those moments for the world!

I truly never learned what the words “I miss you” were until I reached for my mom's hand and it wasn't there!

I will always love you mom!

Jo Anne ❤️

“ Mary was my Mom and Dad's niece, and I was lucky enough that they chose her and husband, Joe, to be my Godparents. Mary was such a loving and positive influence in my life. Always with a smile on her face and a kind word, no task or favor was ever too big for her. Her door was always open, and I was always greeted with her warmth, generosity, kindness and wisdom. She passed all of those wonderful traits on to her loving family. I pray that their loving memories of their Mom / MomMom help them cope through this difficult time of grieving. It was their love, courage and strength that helped their Mom / MomMom get through her final days. They all were certainly the joy of her life. Looking back at how close we all were and still are, we truly were blessed to have such an extraordinary woman in our lives. May God bless you always, Mary, and grant you eternal peace. You will be dearly missed. 🙏👼💕💖
