“ *Michael and I worked together for many years at Vertex and became good friends. He and I spent many a fun hour at the Iron Hill in Media, we even had a retirement party there for him and his Hill friends. I remember I copied this displayed picture of him, and taped it to forks and then stuck all the forks in the cake before cutting so there were many little MP faces looking at the partiers- we all laughed. And I remember fondly the time he took me to a family Super Bowl party. It was great fun and the food was unbelievable, but coming from a small family myself, it was a little overwhelming- I remember looking at Michael and asking "are you really related to all these people?!"- we laughed and he proudly confirmed that he was indeed related to them all. I have fond memories of spending time with MP and his sister Donna too- she was a very kind person. Michael, you made an impact on me and many others my friend and you will be sorely missed- hope to see you again in the next life. Sending my love and condolences to all of his family and friends.*

“ *Michael and I got to travel the US looking for training centers in the 90's He taught me the ropes. We had a ton of laughs in life. I still remember decorating his office for "special" birthday. He found confetti in his drawers and files for years afterwards.... I will miss him dearly but I know I have another Angel looking over me. May you be at peace my friend ...*

“ I'm so sorry to hear of Michael's passing! One of my most favorite people & co workers ever! So kind, caring, thoughtful & spoke so highly of his entire family, that i felt like i knew them all! He was a great baker & a wonderful party planner. Michael even showed us the proper way to cut a round cake... and I have told everyone his "trick" in the 10 years...He will be missed by so many. 💔 🙏

“ Michael was my neighbor on Putnam Blvd. for years. A good guy. He'll be missed. If Ronnie is still around take good care of her.

PV

Thank you! Yes, Ronnie is being well taken care of by my best friend. Uncle Mike wanted them to keep her. She is very happy and spoiled
