“ So sorry for the loss of Mike! I met Mike as Betsy's brother at my first Smith Family Reunion! I won the Smith Family tee shirt because I had more correct answers in a game that we played! He made me laugh so much! We are unable to be with you today. We missed Jean's funeral as well due to my current critical medical condition. Be assured that we are with you in spirit, we are praying for you and sending you love all as well!

“ I met "smott" as a young kid as my grandparents shared the Alley with his family. Clifton was a small town so I'd see him at school or at the hoagie shop. Im glad we got to reconnect on FB. Mike was a good guy from our small town. Rest in Peace my friend.

“ *I just talked to Mike and he didn't sound good but he didn't say anything about it. He only talked for a minute which was unusual. RIP buddy*

“ *Mike was a great neighbor, he and my husband mike stayed in contact even after we all moved from Lansford. Mike will forever hold a special place in my heart and memories, he drove me to the hospital when my water broke with my second son.*
