“ Met Michele and Bill at the pool. Ever since she has been a friend. Included me in her family get togethers where I got to know her amazing relatives and family friends. She will be greatly missed. My thoughts and prayers are with you all and especially “her Bill” as she often referred to him.

“ To the sweetest, kindest, greatest neighbor ever. Missing you so much already! Making beef barley soup as we speak, for Bill, in your memory. Somehow, food will never taste the same without you! As you were always thinking and caring for others, we have made a donation to Helping Hands. Rest peacefully our beautiful friend.

Michele treated everyone like family. She cared about each person she encountered and gave them her ear and offered them food and laughter and made the day better. She set the example of loving our neighbor as ourselves. We can honor her by carrying that on. ❤️🙏
Thank you Michele
