“ So many memories I have over 40 plus years of friendship! My heart is broken. You were more than just a friend you were family to me. I don't know what I am going to do now when I need to talk to someone. You were always there for me !! One memory sticks out more than others. I remember when you took me driving in the vet. We put the top down and you blasted slow ride on the stereo. Wind in our hair and great music to drive by!! RIP brother. Now you are pain free and with your dad again like I know you always wanted to be. I love you Nick and I will miss you forever!!
