“ *When one thinks of Nick, you may say he was crazy, impulsive, obnoxious and cutting edge. That's what people did see but not me. Nick was my angel, my confidante and best friend. If it weren't for his unwavering love, care and belief in me I wouldn't be alive today. He truly is one of a kind and I had the honor of knowing all the amazing facets of his personality. I love you Nick and know you are happy to reunite with your brothers Johnny and Ray. Fly high, I love you and I'll see you on the other side ❤️🥹 With love, Beth Radomile*

“ Stoccardo Family, I am so sorry for your loss. Nick will be missed at The Village Green Community. He was always around when you needed someone to visit and have a conversation with. I still can't believe his is not here anymore. My deepest sympathy. He will be missed. Carol Watkins

“ Yo, talk about a guy who lived life to the fullest, in his own way! Many years ago, I found myself in a restaurant with a LOT of Stoccardos, and Nicky was across from me; it was probably the first time I ever spoke with him. He told me about the \$10,000 PAINT JOB on his car, and that's a lot more than I've ever spent on a CAR. He was always a lot of fun. Condolences to all.

“ Barbara Stoccardo Miller I once remember Nicky saying to me " When I die, at least I know I had a good time getting there" . To be able to say that, is a testament of a life that was well lived. Nicky loved every thing that was fast, he loved to take risks , he loved to laugh, he loved a good meal , and in true Stoccardo fashion , he loved chocolate. He loved his wife above all else. He loved his family and he loved his friends. He had a big heart, a big smile and a gentle spirit. His legacy and amazing spirt will live on through his family and friends. Rest well my brother, you will be truly missed .

“ Speaking of Super hero's my fondest memory is Nicky walking Jean down the aisle wearing his Batman cummerbund and gray tuxedo. Nicky was a take charge kinda guy I know where ever he is at he is in charge!

“ Nick is my Brother-in-Law, I'm married to his little sister Jean. Nicky helped us out when buying our home and cars, he handled the salesmen because he could. Nobody got anything over on Nicky. He helped us all out in one way or another. Jean and I went on a trip to Italy with Nick and his wife Diane. He was so excited to see everything, like a kid with exuberance. We climbed the dome of Saint Peter's he and I, from the inside of course. But Nicky would have no problem doing it on the outside if he could. Nicky the world won't be the same without you. With loving memories, Pat DiStefano.
