

Patricia A. Fulton

April 3, 1949 - May 7, 2023

Patricia Ann Fulton was born April 3, 1949, the second child to the late Earl Richards and Ruth Richards Doe. She received her education through the Philadelphia School District. While attending high school she met her boo, Edward Fulton, Jr, and they became an item. They married and moved to Denver, Colorado as Edward enlisted into the United States Air Force. They became the proud parents of Nadine and after Edward's honorable discharge from the Air Force, they returned to Philadelphia. Veda was born a few years later. Patsy was employed with Bell Telephone Company known today as Verizon for more than 40 years. After retiring from Verizon she began her next career with United Parcel Services, from which she retired once again. She was a very hard-working person because she loved the best of the best of things. Patsy's health began to decline but she kept working as long as her health allowed.

Patsy accepted the Lord as her personal Savior and joined Faith Tabernacle under the leadership of Rev. Lorenzo Walker. She served on the Nurses' Unit. She was a student at Faith Bible School, and held the distinct honor of graduating from the first year class. She also attended and graduated from Jamison Bible School. Yielding to the call of the Lord, she also became an ordained Minister and an Evangelist, sharing her love and commitment to Christ to whomever she was around.

Patsy is survived by her living husband, Edward, her daughters Nadine and Veda, her siblings, Earl (Sylvia), Carolyn (Michael), Gwendolyn, Ruth (Donald), Warren (Karen), and Darlene (Curtis), Alton (Gwendolyn) grandchildren, Daniel, Rodney Jr., and Nadia; her godchildren, Kevin Ross, Charles Fleming.
