“ *My dear Phyl,
I can't imagine a world without you in it. You and all of your
desserts. Remember the plate you fixed us with 4 different slices of
cake on each plate? I can't thank you enough for all of your love
and generosity. When I graduated high school, you offered to have
me live with you and the gang, and I will never forget you graduation
gift to me was a small jewelry box that contained a key to your
house. Rest well. xoxox*

“ Memories galore of this funny, family oriented Aunt. Phyl was one of a kind, everyone was welcome at her table, where she shared her family favorites, while blending up delicious cocktails. To get family together she held a crab fest every year, where family and friends enjoyed great food and blended drinks! Always a Gardner with fresh herbs to cucumbers. Her earliest gardening with our Pop, in plots they shared in the local State park. She loved reporting and getting out there meeting people, Ed McMahon was no match for her!! She loved gathering her family and enjoying life! Rules be gone with Phyl if they interfered with fun!! We will definitely always keep Crab Fest alive in her memory , along with her easy, live life attitude!!
