“ *Rob was a very special person. He and I worked together at Indian Lane for many years. I loved his stories about his family, Rosie, visiting Ridley Park Lake, growing up in Woodlyn and visiting Ocean City. I am so sorry for your loss. Stephanie Herman*

“ *No loss is simple. We may search for true comfort, but it is hard to find. There is hope, and comfort from God. John 5:28,29: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out..." Those who have died are in Gods memory, they have the prospect of being brought back to life. Not only will God comfort us now, but he will provide a resolution in the near future that will reunite us with those we have lost. Please accept my sincere condolences at this difficult time.*
