

## Stacy A. Rydzewski

May 17, 1977 - August 28, 2025

Stacy A. Rydzewski, age 48, of Clifton Heights, formerly of Philadelphia, passed away on August 28, 2025. Her vibrant spirit, generous heart, and infectious laughter left an indelible mark on everyone who had the joy of knowing her.

Stacy was a true lover of life. She found peace in the simple pleasures—sunny days at the beach, the beauty of blooming flowers, and the serenity of the outdoors. Her deep love for music was matched only by her affection for animals, especially her cherished cat, Pebbles, who was always by her side.

With a heart as big as her smile, Stacy was known for helping others without hesitation. Her wholesome and goofy personality could light up any room, and her spontaneous car rides to “anywhere” were legendary among friends and family. Cleaning wasn’t just a task for Stacy—it was a passion. She dreamed of starting her own cleaning company, and her dedication to making things sparkle was a reflection of the care she put into everything she did.

Above all, Stacy truly loved her family. She treasured every moment spent with them, especially shopping trips with her daughter, which were filled with laughter, love, and unforgettable memories. Her warmth, kindness, and joyful energy will be deeply missed but forever remembered.

Stacy's legacy lives on in the hearts of those she loved and those who loved her.

Survived by her longtime companion, Anthony Rosa; children, Alliyah Rosa and Antonio Rosa; sister, Tracey DiMattio.

Services and Interment will be held privately
