“ *My deepest condolences to all of Stephanie's family and friends. I only knew Stephanie for a short period of time but within minutes her sweet personality captivated me. I work at a nail salon she had recently become a regular of and within the hour we had spent together, we talked non stop and learned so much about each other. She's such a beautiful person and I really feel blessed that God crossed our paths. Even in such little time she made a footprint in my life and I will never forget such an amazing person.*

“ Our constant and daily prayers are with Jeff and your entire family! I am Maddy Myers MomMom and I can tell you, everytime I was in Stephanie's presence I felt Love and Kindness. I felt that I was with family. I only knew of Ms Step as Maddy's teacher but what an impact she left on Maddy and our entire Davis/Myer/Bird family! I feel Ms Step was always an angel here on earth...I guess God needed her to lead the heavenly angels. Please let us know if you or your family need anything at all. We would love to help in any way. Our hearts are broken...May God hold you in the palm of his hand Ms Step. We love you and will miss you always and forever!
