“ *Starry Starry Night - Don McLean, every time I've heard it over the last almost 40 years, Steve Schol came to my mind, he had a quiet way about him, he was fun, spirited and sweet, with a true & caring soul. We had some fun times, we worked together at General Accident Insurance back in the early 80's. Today... I heard the song...so I googled Steve....and found this. It hurt my heart to read of his passing. After watching the video, I was happy to see that he had had such a wonderful life. A loving companion, Full of beautiful children and so many grandchildren! He was surrounded by so much love & blessed in so many ways. To all of you he left behind, I am so sorry for your loss, I know he will be sorely missed. Cherish all your beautiful memories, he is with you always& forever.*
