*That memorial video was beautiful. I had the pleasure of meeting the Sipio family way back in The Eighth Floor days. I worked for them for a pretty long time as far as that business goes. They were all really nice down to earth people. Hard working family.*

*They were always super nice to me and always treated me with respect in a workplace that was absolutely crazy by nature. I hope he didn't suffer in any way. And my thoughts and prayers are with his family and especially his adorable little daughter. She looks like she really loved her father.*

*Rest in Peace Steve..*
