“ *I miss you more than words can say. You were the best father, teacher, and friend. I only hope to be as good to my kids. We are all left with a big hole. I know you will be watching over us and protecting us. I love you forever.*

“Dad would come home from work late at night and wake me up to watch TV with him, or tell a scary story. I never liked Carol Burnett or Benny Hill back then, but I sure appreciate them now. He never did finish a story, because he always fell asleep. He never lost his sense of humor or his will to live.

I'm so sorry for your loss, and just like losing our dad it's another great loss to our family. With Uncle Tom in heaven I'm sure he's giving my dad plenty of things to laugh about. Rest easy Uncle Tom. You are missed loved and never forgotten

I remember growing up and being told that we would be visiting was like music to my ears. I remember Toms cooking, one of the many reasons why I loved visiting. I also remember the smile Tom use to put on my dads face. My dad was very sad to hear you passed he loved all your jokes!! Thank you Tom for the great memories!! 🥹❤️
