“ Shannon and family, I am heartbroken for all of you. I'm sending my love and strength. Your family was my family when I was growing up. I have so many great childhood memories with you and the family.

My deepest condolences, Jolene

“ My favorite cousin, Tommy. Oh, how I loved when you arrived at our pool parties or crashed other ones! Always a huge smile & I was looking forward to having lunch when I returned from the shore. I'm going to picture you, your parents & mine playing cards in the kitchen. Stinks I'll never see you on my caller ID again. I love how you preferred a phone call. I am completely 💔 & glad our parents didn't tell us how awful this feels. Love you.
